This Coming Sunday, January 22

Pastor Ryan will be preaching on I Corinthians 1:10-18 and Matthew 4:12-23.

Answering the Call

Last week, TRC received an urgent reach-out from a local non-profit. An Afghani family of 6 arrived in Holland around Christmas time, and partners, mentors and friends are needed to meet with them and help them get settled. They are not able to qualify as refugees as so many other families from Afghanistan do, and so there are no resources earmarked to help them make their way.

In response to the call, the deacons have pulled together a team under the leadership of Roger DeYoung (Third Reformed Church) and Bev Stevenson (from Intersection Ministries) and obtained very short term housing. This will not constitute official sponsorship as in other seasons, but sharing the resources, networks, and friendly support we have to help them get established. Others also sharing in this network of support are Lighthouse Immigrant Advocates, and RCA global mission, who has given a one-time grant of funds for TRC deacons to administrate for basic needs such as housing, medical needs, groceries, clothing and transportation. The family is made up of mostly adults, most of whom are highly skilled professionals and have so much to offer in the years ahead!

It feels meaningful that this occurred in the same week in which we could rejoice and the reunion of another family in the ways that God provided for their needs and longings. Would you also pray for this new family, and for the ways that they are searching to make a home in Michigan?

The Youth of TRC are preparing for middle and high school retreats and mission trips this year. This Friday from 5:30 to 7:30 PM, the Youth will be hosting a Student Sponsor-thon (see above graphicS).

Students have been training hard, honing their skills, and preparing to offer their gifts to the highest bidder! Everyone, and we mean EVERYONE, is invited to this fundraising event to help the youth of TRC! Come join us for a time of hors d'oeuvres (fancy word for appetizers) served by the youth, a program on the various trips youth will take, and.....drum roll, please.....bid on youth provided

skills such as babysitting, shoveling, baking, dog walking, and so much more, during the silent auction portion of the event! Our goal is to raise \$6,000!

Please consider donating to help the youth of TRC experience the love of God through service, learning, and community, as they take part in the retreats and mission trips both domestically and internationally! Please contact Hunter Brumels, hunter.brumels@trcholland.org, if you would like more information.

Trips include:

- Middle School Retreat - Camp Geneva, January 27-29th, 2023
- High School Retreat - Grace Adventures, February 24-26th, 2023
- High School Mission Trip to Juarez, Mexico - Mar. 31st to April 5th, 2023

Middle School Mission Trip - Hope House Detroit - June 26-30th, 2023

Wondering about Membership at Third?

If you are brand new, or even already quite familiar with TRC, you may have questions about what it would look like to take the next step of membership commitment. We would love to hear how God has been leading you, talk through any questions, and share with you about our Reformed faith tradition, church organization, and ways you can get involved!

We intend to offer an evening Inquirer's Series for prospective new members starting in mid January 2023, with a small group already forming, and room for more! The specific dates will be arranged between the pastors and interested participants. To sign up or ask questions, please email Pastor Janelle at janelle.lopezk@trcholland.org.

Gifts and Memorials Exterior Inventory Questionnaire

The Gifts and Memorials Committee is updating their inventory list and is hoping you can help. If you know of a plant/tree/other exterior item that was given as a gift commemorating something, or a memorial for someone, please take a moment to call the church office with any information you have. Thanks!

Living Green

—Mark Faga, Lead Custodian and Green Team Member

Welcome to 2023 friends. We have made it past Christmas, jumped into New Year toasts and resolutions, survived a blizzard and are now ready to compost. Right? Or is that just me? I've mentioned getting to this in newsletters past and we are finally here. Ready?

Composting is not something that I do at home. However, I, like many others I'm sure, are tired of throwing food away. On one hand we need to make sure that we only prepare what we need or enjoy leftovers. There is however food waste that comes from preparing our meals. Egg shells, watermelon rinds and lettuce stems to name a few. It's time to stop throwing these items away as 21% of our landfills are food waste alone.

Fortunately we have options...

1. Compost at home. You can do this by setting aside an area in your yard to dump your waste. You can buy or build a bin. You can also purchase a compact composter like the Lomi Composter that will fit on your counter.
2. Use your local compost drop-off program. We are very fortunate in Ottawa County to be able to collect and drop off our compostable food waste at the Ottawa Resource Recovery Center on Quincy here in Holland. I have begun using this program and it is very easy.

Just head to miottawa.org/compost to:

- find out what composting is,
- find out why composting is so important,
- get information on how to compost at home,
- enroll in the drop off program,
- find out if your business should think about composting.

So let's kick 2023 off right with our next step to Living Green.

And for this month I leave you with a quote, *"Twenty five years ago, people could be excused for not knowing much about climate change. Today, we have no excuses."* Desmond Tutu
